INTRODUCTION

OCITAN AND FRENCH WITHIN ROMANCE

METHODOLOGY

Speakers

15 Occitan speakers from La Caune/Lacau (Tarn, France), all bilingual in French
10 Southern French speakers from La Caune/Lacau (Tarn, France), different degrees of proficiency in Occitan
Northern French: normal proficiency in French

DATA: SITUATIONAL QUESTIONS

Speakers were asked to imagine a set of everyday-life situations and were asked to react adequately, thus producing utterances with different semi-prototypical pragmatics (from http://www.praat.org/)

Normative

This work was funded by the project “Intonation in contact: French and Occitan” of the Deutsche Forschungsgemeinschaft.
